Welcome

Nuatali Nelmes was first elected as a Councillor with the City of Newcastle in 2008 and was elected Lord Mayor in 2014.

Nuatali works openly and cooperatively with the community to position Newcastle as Australia's most sustainable city. Nuatali is passionate about delivering a shared vision to renew Newcastle – building the healthy, vibrant and smart city that we deserve. She is married to Stuart and they have three children.

The Annual Lord Mayor's Prayer Breakfast brings together like-minded people and organisations to celebrate shared values that benefit our community. These values unite us and help all Newcastle residents, irrespective of their background, feel a commonality of purpose and place.

"I am committed to compassion, respect, tolerance, justice and equality

in our city - values that enhance the social fabric of our community and that, as Lord Mayor, I will strive to protect for all citizens."

In Honour of Bishop Greg Thompson

The Right Reverend Greg Thompson was installed as the 13th Bishop of Newcastle on February 2, 2014 at Christ Church Cathedral. Bishop Greg served the Diocese of Newcastle as Bishop for three years.

In his short time as the Bishop he has been the catalyst for deep cultural change around the protection of children and the support of victims of abuse. He called the diocese to face its past and in doing so shape a healthy future.

As part of shaping a healthy future, Bishop Greg and the diocese worked together to initiate independent external reviews of

diocesan governance, professional standards and redress processes. These reviews are well underway and will continue the crucial work of transforming the Diocese. Bishop Greg has led the Diocese to greater health.

Throughout his ministry he has been committed to hearing the voices at the grassroots and empowering the vulnerable and people in need. Drawing on the great treasures in the teachings of Jesus, he has been unafraid of speaking strongly to the powerful to ensure transparency and promote justice.

This will be his enduring legacy.

Prayer of Declaration

Together we give you thanks for this city, this region and her people. Today we commit them to you. We speak healing and hope over this land.

We ask that the hand of the great physician go to work today, that hardened hearts be softened, broken hearts be healed and troubled minds find rest. We declare the peace of God to reign in the hearts of every man, woman and child.

We ask that clouds of darkness and confusion be lifted off people today.

We ask for forgiveness to flow and reconciliation to reign.

We declare acts of wickedness to be bound and broken.

We declare healing to be released in Jesus name.

We ask that marriages and families flourish. We ask that every man, woman and child be blessed with a hope for the future.

We ask that the creativity of heaven be released upon this city and her people.

Creativity that would give birth to solutions and pioneer new ways.

We declare you are a God who is able to do exceedingly and abundantly more than we can ask or imagine.

Together we pray in the mighty name of Jesus, Amen.

Breakfast History

The Annual Lord Mayor's Prayer Breakfast is a gathering of Christian churches, charities, businesses and community leaders who come together through common values that benefit our city and region.

In 2009 a group of Newcastle pastors approached the then Lord Mayor John Tate about hosting an annual prayer breakfast. He agreed and together they

initiated an annual event that has been hosted over the last 9 years by Lord Mayor Cr John Tate, Lord Mayor Jeff McCloy and presently Lord Mayor Cr Nuatali Nelmes.

The purpose of the Lord Mayor's Prayer Breakfast is to acknowledge God, the power of unity and prayer and to invite the blessing of God over the region and its people.

Newcastle and Hunter Region Schools

Student Leadership Forum

The Student Leadership Forum was established in 2013 in conjunction with the Annual Lord Mayor's Prayer Breakfast. Students serve at the breakfast helping to host guests

and then attend their own student leadership forum.

The purpose of the student forum is to connect this generation of leaders with the next.
