

Lord Mayor's Prayer for the City - 2010

Father in heaven we acknowledge you and your word that says

"if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land" 2 Chronicles 7:14

So this morning we come before you and humble ourselves under your mighty hand and seek your face for this wonderful city and region. We ask that you forgive us for our wicked ways and strengthen us in our resolve to turn from them this day. We ask that you indeed would forgive our sin and bring healing to our land.

Lord your word says,

"When the righteous prosper, the city rejoices";

We desire to see our city rejoice so would you cause the righteous to prosper.

Your word also says that

"Through the blessing of the upright a city is exalted" Proverbs 11:10-11

So we seek you this morning that the blessing you have poured out on the upright will flow into this city that you would be exalted. In Jesus name.

Amen.
