PRAYER OF DECLARATION & BLESSING

Heavenly Father, we thank you for this wonderful city of Newcastle and the Greater Newcastle Region.

We welcome you into this city and region.

We commit the future of this city and her people into your hands.

Help us to think and act in a way that includes one another.

Help us to function in a way that our city and everyone in it prospers.

Help us to comfort the lonely and the marginalised. May no one in this city stand alone.

We declare that we are Better Together.

Our families and our community function Better Together.

In the name of Jesus Christ, we call things together.

Father we pray that this city would be a place that people find healing, hope and a future. Lord we see our city flourishing in a way that's reflective of heaven.

Yes Lord, Your Kingdom come your will be done!

In Jesus name, Amen
